Residents invited to recycle, donate or discard at Community Cleanup

SAN ANTONIO HEIGHTS – County residents can recycle, donate or discard unwanted items for free during a Community Cleanup from 8 a.m. to noon on Saturday, Sept. 15 in the Albertson's Supermarket parking lot at 2419 N. Euclid Ave.

"Thanks to our Community Cleanup partners, we're able to offer residents environmentally friendly options to dispose of unwanted items around their homes," Board of Supervisors Chairman Paul Biane said. "I encourage residents to take full advantage of this free trash disposal and recycling event."

During the cleanup, residents can dispose of items such as old couches, appliances, yard waste and other non-hazardous trash that would be accepted at the landfill.

Goodwill Southern California will accept items that can be resold in one of the company's retail stores. Goodwill provides disabled adults with job training, job placement and work experience.

E-Cyclers of Upland will collect televisions, computer monitors, VCRs and other used electronics waste for recycling while Pacific Recycling of Fontana will do the same with scrap metal.

Tires collected will be used to power furnaces in a cement plant. Residents can dispose of tires with rims removed as long as the tires do not exceed 11 inches by 25.5 inches. Residents planning to bring 10 or more tires should call (909) 387-0289 by Thursday to make arrangements for the disposal.

Hazardous materials such as motor oil, paint, pesticides, and furniture polish will not be accepted. Call (800) 645-9228 for information about local hazardous waste disposal options. Residents may be directed to the landfill if their loads are excessively large. No commercial trash will be accepted at the Community Cleanup.

Please call Supervisor Biane's office at (909) 945-4297 or Code Enforcement at (909) 387-4044 for more information about the cleanup.
